Black Tie

A Milestone Year for

THE BOWERY MISSION

In our 135th year, The Bowery Mission has achieved several exciting milestones, moving into three new neighborhoods – Harlem, East Harlem and the South Bronx – doubling our capacity to offer new hope to men, women and children.

Celebrate and support The Bowery Mission as we mark these enormous achievements and honor the Mission's President, Ed Morgan, for more than 20 years of dynamic leadership.

Your help ensures that The Bowery Mission can continue to offer compassionate care and God's love for New Yorkers in need, providing life transforming programs that offer men and women a much needed second chance at life. You are also helping to provide positive first chances for at-risk children and their families through summer camp and year-round enrichment programs.
